Late Cancellation/ Broken Appointment Guidelines

We understand that last minute changes in your schedule may be unavoidable and we will try to accommodate those changes as best we can. Please understand that when we make an appointment we are setting aside enough time to do our best work and that each appointment is for only one patient. We do not overbook expecting some of our patients to not show for their appointments. Therefore, a broken appointment without adequate notice results in wasted time for us, adding to the cost of providing care for all of our patients.

Due to the high demand for dental appointments and the number of broken appointments and late cancellations, we have had to institute a late cancellation/no-show fee. All broken appointments and cancellations with less than a 48 hour notice will be assessed a fee of \$50 per appointment. For all Monday appointments, please call by Thursday at 1:00 pm to avoid the \$50 fee. Please note that insurance will not cover fees associated with late cancellations/ no-shows.

We will work with you to try to schedule times that are best for you. Patients who habitually reschedule for inadequate reason will be referred to an office which does not work by appointment or which can accommodate an unpredictable schedule.

I, the undersigned, have read and understand the broken/late cancellation guidelines. I agree to pay any fees that are charged, should I fail to keep an appointment.
